

**Country Bible Church**  
**Covid-19 – Classroom opening plan.**  
**August 3, 2020**

On Wednesday August 5<sup>th</sup> we are opening the doors of Country Bible Church to our normal evening ministries. We are preparing to open classrooms and begin to once again disciple our children on Sunday Mornings beginning on August 16<sup>th</sup>. We will also open the nursery Sunday mornings on August 16<sup>th</sup> during the worship service. Children's church will be offered the following Sunday August 23<sup>rd</sup>.

**Important dates:**

August 5<sup>th</sup> – All Wednesday evening ministries open at 6:00 PM.

August 16<sup>th</sup> – Discipleship (children's Sunday school) begins at 9:15 AM.

August 16<sup>th</sup> – Nursery opens for worship service.

August 23<sup>rd</sup> – Children's church will be offered at the time the sermon begins.

**Information on safely reopening:**

- All classrooms and the nursery will be shut down to everyone except during ministry times and cleaning. Parents, please help with this.
- No-one is allowed in the rooms during ministry times except the scheduled workers, their replacements and parents. Parent's please pick up your children as soon as possible after the service. Workers have served well and their time is finished.
- Routine sanitation of the room's furniture, equipment, toys, door knobs and anything else that is handle or touched will be followed.
- Please wash your hands.
- Masks are optional. Note: Workers please be sensitive to your environment. Nobody should be made to feel bad if they wear or do not wear a mask. Consider wearing one to encourage and love on those children who come with one on.
- Practice distancing as practicable as possible.
- Use commonsense: Don't serve if you are ill, if you notice a child is ill then retrieve the parent(s) and remove them from the room, parents if a child is ill do not bring them to County Bible Church until they are symptom free and everyone.....don't attend if you are ill.

**Important health note:**

DO NOT let a child eat, lick or suck on sanitizer. This could cause great harm.

The elders of Country Bible Church want all of you to know we are praying and will continue to seek Godly wisdom through this time.
