

New Discipleship Class “*Confronting Christianity*”

A new discipleship class will begin on Wednesday, September 6th. The topic of this class is “apologetics” – knowing and defending your faith. The intent of this class is to help firm up your faith and equip you to better explain and defend the Christian faith. Pastor Dave will be teaching through a book entitled *Confronting Christianity* which will answer the following questions that challenge Christianity:

- Aren’t we better off without religion?
 - Doesn’t Christianity crush diversity?
 - How can you say there’s only one faith?
 - Doesn’t religion hinder morality?
 - Doesn’t religion cause violence?
 - How can you take the Bible literally?
 - Hasn’t science disproved Christianity?
 - Doesn’t Christianity denigrate women?
 - Isn’t Christianity homophobic?
 - Doesn’t the Bible condone slavery?
 - How could a loving God allow so much suffering?
 - How could a loving God send people to Hell?
