

# Discipleship Classes

Wednesday evenings – 6:00-7:00  
Beginning May 5<sup>th</sup>

One of the early pictures we get in a report on the early, global church is that they were “walking in the fear of the Lord and in the comfort of His Spirit” (Acts 9:31). Our discipleship classes are meant to serve you this way – to help you grow in your walk with God so that you experience His transforming presence.

There are several classes being offered:

Pastor Fred – The Book of Revelation: This class is already in progress. Fred will continue to walk you verse by verse through this magnificent book.

Women’s group – The Promises of God: Our God is not silent. He is eager for us to hear Him. And in hearing Him there is hope and life! This study will work through many of the promises God has given to help us trust Him better, find peace in a troubled world, and share that hope with others.

Mike M. and Pastor Dave – The Pilgrim’s Progress: This class will walk through the classic book, *The Pilgrim’s Progress*, written in 1678 by John Bunyan. This beautiful story is an allegory of the Christian life. As we work through it, we trust it will bring out a true definition of a Christian, give a deeper understanding of Christ and the gospel, and an encouraging and motivating picture of the Christian life.

Children’s ministry- The Life of Jesus: Our children begin a survey this summer on the “Life of Jesus” .
